Dismissal is a difficult time for many students. There are many corresponding matters that will require your attention in the next few days. Please refer to this sheet and read this information closely so that your transition back to UC Davis can go smoothly.

**REFUNDS**
Students who have been dismissed will receive a 100% refund of registration fees you have paid for the current quarter. Refunds are managed by the Student Accounting Office and generally take 4-6 weeks to process, so it may be some time before you receive these funds. You may receive your refund via direct deposit. Please contact Student Accounting at 752-3646 for specific information.

**COUNSELING SERVICES**
For support during this transition, you have the option of speaking to a counselor at Student Health and Counseling Services (SHCS) within three months of your academic status change. These sessions are limited to three appointments at the most, and typically are used to connect students to resources and services off-campus within the local community, as well as to help support students’ plans to return to UCD. Some common topics of concern are how to manage feelings associated with academic dismissal, how to talk to friends/families about time away from UCD, and determining what resources would be helpful or applicable. These sessions are not to assess or treat chronic mental health conditions.

To schedule an initial appointment, call Student Health and Counseling Services Appointment Line at (530) 752-2349 during business hours. If you have previously worked with a SHCS counselor, please contact your counselor via Health E-Messaging (HEM) for an appointment, as well as to address any follow-up services needed. In the case of urgent matters, visit Urgent Care on the first floor of the Student Health and Wellness Center during business hours. Call 911 or visit a local emergency department for any emergency concerns.

**SERVICES FOR INTERNATIONAL STUDENTS AND SCHOLARS (SISS)**
If you are an F-1 or J-1 international student please contact SISS immediately to discuss how your dismissal will affect your current immigration status in the U.S. and review your options (grace period, leaving the U.S., possible transfer, etc.). To schedule an appointment, you can stop by SISS located at The International Center or call 530-752-0864 or email siss@ucdavis.edu.

**ON-CAMPUS HOUSING**
You are ineligible to remain in the Residence Halls if you are not a registered full-time student. Keep in mind you will accrue daily room and board fees until your housing contract is properly cancelled. Failure to follow proper cancellation procedures may result in additional fees, plus other applicable charges assessed to your account. You may visit or call the Student Housing office 752-2033.
FINANCIAL AID
If you are receiving any financial aid or scholarships, you should contact the Financial Aid and Scholarships Office to inquire how your dismissal will impact you. You may be required to repay any current quarter aid that has already been disbursed to your student account. If you have any questions about your financial aid, send a message through Contact an Expert at students.my.ucdavis.edu or visit financialaid.ucdavis.edu/contact.html for additional contact information.

STUDENT HEALTH INSURANCE (SHIP)
Your dismissed status may affect your SHIP eligibility. Contact them immediately regarding coverage and refund/fee information. For more information, please review the SHIP website at http://shcs.ucdavis.edu/insurance/.

EMAIL ACCOUNT
Access to your UC Davis email account will be suspended until you have been officially readmitted. Your account will be deactivated approximately 30 days after being dismissed. Check online for information on forwarding your email: emailforwarding.ucdavis.edu.

ACCESS TO CAMPUS SERVICES
While in dismissed status, you will not be able to access campus services, including the Activities & Recreation Center (ARC), Cowell Student Health Center, CAPS (only 3 visits after dismissal), Student Housing facilities, and/or Shields Library.

SUMMER SESSION
Although you are ineligible to enroll in courses during a regular academic term (fall, winter, spring) while in dismissed status, you are eligible to enroll in courses during the Summer Session at UCD. Please consult with your BASC adviser before selecting courses. For more info, visit http://summer.ucdavis.edu/.

READMISSION
Plan on contacting your BASC adviser approximately three (3) months prior to the quarter you plan to return to UCD in order to develop a plan to return, or to learn about alternative educational options. In order to return, you must submit an application for readmission through OASIS prior to the deadlines listed: oasis.ucdavis.edu.

ASSIST.ORG
If you plan to attend a community college during your time away from UC Davis, you may compare course equivalencies between UC Davis and any California community college online at www.assist.org. Community College grades will not be included in your UC GPA. Consult with an adviser for further details.

ACADEMIC ADVISING
Even while you are away from UC Davis, you are encouraged to keep in contact with your adviser for assistance. If you decide to change your major, we strongly encourage you to meet with an adviser from the department to which you wish to change for course planning and advising. We hope this continued advising will position you for a successful next step in your academic plans.
