MICROBIOLOGY AB FALL 2016

MAT 17AB or 21AB (8)

CHE 2AB (10)

CHE 8AB OR 118ABC (6-12)

BIS 2ABC (15)

PHY 1AB or 7ABC (6-12)

BIS 101, 105 (or 102 & 103) (7-10)

MIC 102, 104L, 105, 105L (12)

MIC 111 (3)

Areas of Study:

Molecular Micro:

MIC 115, 150, or 170 (3)

Virology or Immunology:

MIC 162; MMI 188; PMI 126 or PMI 128 (3-4)

Additional course work, chosen from list below to achieve a total of **36 or more depth units**.

MIC courses not used in satisfaction of any other requirement or:

BIS 104, 181, 183; FST 104; MCB 121, 182; PLP 130; SSC 111

or upper division courses in related fields relevant to the student's interest and chosen in consultation with the advisor. No more than 3 units of variable-unit courses (192, 198, or 199) may be used for credit in this category.

Note: Although a course might be listed in more than one category, that course may satisfy only one requirement in the entire major.
