**MICROBIOLOGY AB FALL 2018**

- MAT 17AB or 21AB (8)
- CHE 2AB (10)
- CHE 8AB OR 118ABC (6-12)
- BIS 2BCA (15)
- PHY 1AB or 7ABC (6-12)
- BIS 101, 105 (or 102 & 103) (7-10)
- MIC 102, 104L, 105, 105L (12)
- MIC 111 (3)

**Areas of Study:**

**Molecular Micro:**
- MIC 115, 150, or 170 (3)

**Virology or Immunology:**
- MIC 162; MMI 188; PMI 126 or PMI 128 (3-4)

Additional course work, chosen from list below to achieve a total of **36 or more depth units**.

MIC courses not used in satisfaction of any other requirement or:

- **BIS 104, 181, 183; FST 104; MCB 121, 182; PLP 130; SSC 111**

or upper division courses in related fields relevant to the student’s interest and chosen in consultation with the advisor. No more than 3 units of variable-unit courses (192, 198, or 199) may be used for credit in this category.

Note: Although a course might be listed in more than one category, that course may satisfy only one requirement in the entire major.
